

ESKASONI MENTAL HEALTH SERVICES IS HIRING MA/MSW CLINICIAN – 1 YEAR MATERNITY LEAVE

Eskasoni Mental Health Services is dedicated to providing high-quality mental health and addiction services, across the lifespan that are culturally appropriate, community-based and community-led. We aim to achieve excellence in mental health and addiction service delivery by working as individuals, as a team, and as a community to create healthy people and a healthy community. Our employees enjoy a casual work environment, opportunities for development, and a real opportunity to make a difference. We are looking for individuals not just with strong clinical skills (although this is the priority) but also those with an openness to sharing their creative talents or passions to enhance the well-being of our community, clients, and our workplace.

Key Responsibilities Include:

- ✓ Provides direct clinical support services, including screening, assessment, intervention and crisis assessment, counseling, therapeutic intervention, consultation, knowledge transfer and treatment services.
- ✓ The Clinician must have a demonstrated ability to work with a high degree of autonomy and practice within the standards of their licensing and regulatory body.
- ✓ The Clinician will function as a primary therapist within a multidisciplinary team, and will also provide consultation on complex cases and training in evidence-based therapeutic approaches.
- ✓ The clinician will be directly involved with our various research initiatives

Successful Candidates will have:

- ✓ A minimum of a Master's degree in Psychology or Social Work, and be Registered, or eligible to be registered, with the Nova Scotia Board of Examiners in Psychology or the N.S. Social Work Association governing and licensing Board.
- ✓ At least two years relevant experience in the delivery of a full range of mental health/crisis services.
- ✓ Demonstrated experience and competence in the use of the DSM IV, mental health screening and assessment, suicide risk assessment and intervention, evidence-based individual and group treatment as well as crisis intervention.

How to Apply:
